ONYX WIDE RANGE OF SPECIAL LABEL & RIBBON ROLLS : Onyx offers the largest selection of Hard working, long-lasting, fast printing, repeatedly tested, industrial labeling rolls and multicolor Ribbons. One of our most popular and universal continuous supplies is Premium Vinyl Tape. It's available in 10 colors. Onyx Premium Ribbons available in 8 colors provide the highest quality in printing.

ONYX SELF LAMINATING WRAPS FOR WIRE MARKING : Keeping your wires and cables labeled, organized and chemically protected can create cost and time savings. Self-laminating wire wraps provide a quick and easy way to label, protect and organize your wires and cables.

ONYX CONTINUOUS & LADDER TYPE FLAT HEAT SHRINK TUBES FOR WIRE MARKING : Keep cables and wires permanently identified and organized with Onyx Shrink Tubing. Identify and organize cables and wires from 0.5sqmm up to 95sq.mm with shrink tubing that prints text, numbers and graphics. Shrink tubing is made from specially formulated cross-linked polyolefin. It's a flexible material with a low recovery temperature; 2:1 or 3:1 shrink ratio, thin wall low smoke & zero halogen, ROHS compliant.
